TTGS EXIM CO., LTD

COMPANY PROFILE

TTGS EXIM CO., LTD

ABOUT US

TTGS Export Import Company Limited is a Vietnamese enterprise operating in the field of import–export and goods distribution in the domestic market. With a development orientation toward sustainability and long-term cooperation, TTGS focuses on connecting reputable manufacturers and suppliers, both domestically and internationally, with customers through transparent trading activities, professional working processes, and efficient support services.

Based on practical experience in commercial operations and flexible adaptability to market changes, TTGS continuously expands its partner network and diversifies its product portfolio to meet the increasingly diverse demands of customers across various industries.

TTGS EXIM CO., LTD

MISSION

To become a professional and reliable B2B trading company, recognized by customers and partners for long-term cooperation in commercial and import–export activities.
Dong Duong B2B is oriented toward a business-to-business model, focusing on efficiency, transparency, and sustainable partnership development.

VISION

- To provide business customers with stable supply sources, assured product quality, transparent information, and reasonable pricing.
- To support partners in optimizing trading, import–export, and supply chain operations.
- To accompany B2B customers in business growth and long-term cooperation.

CORE VALUES

Credibility: Transparency and commitment are the foundation of all business transactions.
Professionalism: Clear working processes, prompt responses, and compliance with B2B trade practices.
Efficiency: Providing practical solutions that deliver real value to business partners.
Long-term Partnership: Building sustainable relationships based on trust and mutual development.

TTGS EXIM CO., LTD
